

### Summary Index of the Forrest Fenn Scrapbook Entries:\*, \*\*,\*\*\*

The Scrapbook entries have evolved over the years. They originally started as just a photo or two with short captions for the first 20 or so. Then they began to be short paragraphs, then Forest Fenn (ff) used it as a place to share letters (likely emails actually, but I call them "letters" here) until the "Forrest Gets Mail" entries split off as a separate category. Then they became a mixture of longer stories by both ff and dal, along with varied news stories and announcements about the Chase and Forrest's life.

\* Note: The intent of this index is to briefly mention what is in each scrapbook entry for easy reference only. Each entry contains a lot more detail than these brief 1-line descriptions! Descriptions have been written to be as objective as possible; interpretation is up to the individual.

\*\*Note: Photos are in color unless noted with a "(B&W)" for "black & white"; most entries contain images, but mention of specific photos are provided only if the photos seem to be the feature of the scrapbook entry.

\*\*\*Note: Post dates are not included on individual entries in this index, but to summarize: entries 1-39 are undated and presumably older than September 2013; 40-53 are from 2013; 54-123 are from 2014; 121.7-149 are from 2015; 150- ... are from 2016; and ...-... are from 2017. Posts are ordered chronologically in order of when they were posted to the site, so you will notice that some supplemental posts (e.g. 117.5) do not appear immediately following their corresponding original post.
